Australian Magpie

Satin Bowerbird

Lyrebird

Australian Raven

AREA FOUND

BHY, TSO

HG

TSG

BHY

August 8th 2009: The male Satin Bowerbird has rings on his legs:

Left leg: three rings: upper blue, middle rose, lower white (all plastic)

Right leg: two rings: upper rose (plastic), lower metal, probably with numbers on it.

He has a bower in the garden.
